

# CREATE YOUR OWN INSECT

## STEP-BY-STEP

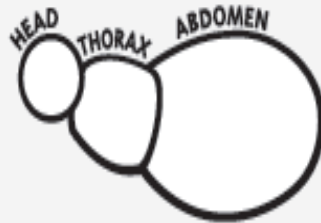

### Step 1:

Draw a circle for a head.

### Step 2:

Add two more body regions; a thorax and an abdomen.

### Step 3:

Add your choice of mouthparts to the head.

### Step 4:

Add your choice of a pair of eyes to the head.

### Step 5:

Add your choice of six legs to the thorax.

### Step 6:

Add two antennae of the same kind to the head.

### Step 7:

Add two or four wings to the thorax.
